As of October 18, 2015, the total number of Missouri dancers is 2,046 with 61 Missouri clubs at this time. Since April the Federation has added nine new dancers. As a reminder to all clubs holding lessons, you must submit a club sponsored class form. There is no cost to cover new dancers at lessons. Once the dancers graduate they are no longer insured until they join a club and pay the insurance premium, and the club submits an additional enrollment form. If your lessons continue into 2016, you must submit a new club roster form for 2016. You insurance for your club class drops on December 31. I must have a new roster for 2016.

Remember to complete accident forms for all accidents that occur at your dance and keep them on file as needed.

When you make or change forms, please date them. I prefer a date in the lower right corner. When you send me forms, I prefer them in MS Word or MS Excel. I can convert these files to PDF format which I can then reduce file size by 80%. This changes the space used on our website server and also takes less time to download the form.

Please use MS Word for written documents. Most people are now using MS Word and when you use one of the other programs other people may not be able to open them if you send a document to them.

Save your files in MS Word format so everyone can use them and if you don't know how, contact me and I will help you.

I talked last meeting about the security codes on the "on line" forms. The new security codes by "Google" appear to be working well. I haven't noticed any robotic spam with them. All the update forms have been updated to the new system. Please remind your clubs to use them. When you use these forms, there are blanks to fill in with all the information that the Doin's or I need. I am happy to accept information by regular email but it is very easy to leave something important out. The new forms for Doin's Chatter automatically puts your club name in the "Subject" line of the email - something that Edythe has been requesting for a very long time.

For the record, the new system requires that you click in a box to verify that you are not a robot. If you send too many of the forms in one day (3 – 6) the form makes you jump through one more hoop. You will be shown 9 pictures of something. Then you will be asked to click on all the same type picture. There are several more options that the system may use, none as difficult as the old numbers and letters. Usually the check box is all you have to do.

Remind your clubs to send me their 2016 schedules and also check their club web pages to be sure information is current. If the club officers need to be added to their web pages, please let me know.

Last month, the Missouri Federation web site had over 1100 hits. As of Wednesday, the Missouri Festival web site had over 300 hits. The Missouri Festival information for 2016 is already on the web site.

**Historian:** Dan and Jean Wheeler – No report.

**License Plate:** Sharon White – No report.

**USDA:** Edythe Weber reporting. Edythe stated that the Executive Committee will hold their winter meeting in Myrtle Beach, South Carolina, on January 23 and 24, 2016. She also reported that USDA Youth Scholarship applications are due February 1, 2016. If you have a senior in high school or freshman in college, please have them apply.

There is also a new Centennial Award being sponsored by the USDA for any square dancer 100 years or older. If your club has a dancer 100 years or older please get in touch with either Jim or me so we can fill out an application and get that award applied for.

Edythe introduced Floyd and Judy Engelhardt who are the new USDA Vice Presidents for the Plains Region.

Judy Engelhardt stated they were on their way home from an Arkansas meeting and stopped in to visit us. They have danced in all 50 states once and are on their second round, already at 48, and going strong. Judy and Floyd are looking forward to their work and position with the USDA, Plains Region.

**ARTS** – Edythe Weber reporting. Edythe reminded everyone to use the new logo on flyers and anywhere you would like. Information is available on the Live Lively Square Dance site. For logos go to [www.arts-dance.org](http://www.arts-dance.org) – Reimaging Project. **67<sup>th</sup> National Square Dance Convention:** Jim Weber reporting: Jim encouraged early registration and at this time we have 502 registered. There are approximately 2,000 dancers in Missouri. we need to show the National Convention folks that we are going to have a spectacular dance.

Dave Shafer reported on the Housing and Registration. Plans are progressing well and on track. We had a meeting with NEC (National Executive Committee members) several weeks ago and reviewed all the plans so far. Everything is on track and they are pleased with everything we have done at this point. There is still a need for people to help with various committees. If you have a particular skill or knowledge that would help, please let us know. Early registration is important. There are 502 registered at this date but only 109 from Missouri. It is important that we register as many as we can from Missouri. Talk about it at your dances and encourage everyone to sign up and promote this event. Wear your ribbons when you receive them. The registration fee is \$50 per individual and allows you to attend the pre-convention dance at no cost in 2017. After March 18, 2017, the registration fee will jump to \$60 per person. Work at the club level to get the word out.

**Standard Registration Form – Callers/Cuers:** Jim Weber reporting. Jim stated that the Caller/Cuer registration form is now finalized. This form registers the Caller/Cuers for the convention or festival, and the caller and their spouse or partner will be admitted free. The second part is the Caller/Cuer profile as per Section 5 of our working rules, The only changes to the sheet would be the new name and date of the function and cancellation date. The callers will sign the bottom of it indicating the assigned time slot to call. If the callers don't cancel by September 1 and they are assigned a time slot to call, they will be unable to call at the next year's festival.

George Roth stated that, according to the Standing Rules, this new form will be on the web site

**Article XIX – Marvin and Bettyrae Fluke Memorial Dance Off:** George Roth reporting. George recommended that the last sentence under Section D of Article XIX be struck from the Proposed Standing Rules Addition – October 18, 2015.

(The MFSRDC will reimburse the host district up to \$60.00 for cost of badges or ribbons).
