**Insurance Coordinator:** Jim Weber reporting. 1,074 dancers are insured through Missouri Federation and 377 dancers are insured through other federations for a total of 1,431 Missouri dancers and 46 clubs.

Instructions on how to use the insurance portal are on the Missouri website under the insurance tab also with a how-to video on the new enrollment system. If your club has a new insurance person, have them print the instructions and view the video. They can always call me if they have problems.

2020 Insurance premium is \$4.85 per person.

Clubs holding lessons must submit a “Club Sponsored Class” form; this form is on the Missouri website under the insurance tab, not on the portal. No cost for new dancers in lessons. Once dancers graduate, they must join a club and pay the insurance premium and the club uses the online portal to add them to their roster submitting their new roster and send additional fees to the Insurance Chairman.

As new members join your club, you must add them through the insurance portal and submit their fees to the Insurance Chairman.

Complete an accident report form for **ALL accidents** that occur at your dance; even if they appear minor at the time. Remember to get the who, what, when, where, and how and keep on file and submit if needed. Getting the documentation at the time is best.

**Blue Bird Coordinator:** Madeline Hall. No report.

**Webmaster:** Dan Wheeler reporting.

Most of the dances for Missouri Federation clubs for 2020 are now posted on the Missouri Federation website. This is the first time I have been able to say that. Some clubs, mostly in the Northwest District, have dances listed only May through August. These are primarily HOA clubs, and the HOA dance year starts in September.

It is easy to tell if all of any clubs dances are posted.

1. On the Missouri Federation website map, click on your district.
2. Click on any club's name,
3. Under the "Dance Schedules" tab, click on "2020 Dances".

All the dances that I am aware of, for that club, will be listed there.

It came to my attention someone in St. Louis could not figure out how to go from the St. Louis home page to the pages showing the individual club listings. I added a button on the home page that goes directly to the club listing page.

If you hear of people having trouble finding something on the Missouri Federation website, please have them contact me. Sometimes I can figure out how to make finding things easier.

Jean says that not everyone can see how to find things on the website the way I do. I understand that she does not mean this as a complement to me.

It also came to my attention that some people's computers may be retaining web pages in temporary memory longer than is normal. Normal is just a few days. If your computer does this, it is something peculiar to your computer. It is not something I can fix on the website. If you think your computer is doing this, try refreshing the web page or in some cases, refreshing the frame. If you need help with this, contact me.

As of today the Missouri Federation website has had over 1900 hits this year.

The Toot Your Horn flyer & form have been updated.

The new updates of the Constitution & By-Laws and Standing Rules have been uploaded.

If you or any of your groups have any forms or procedures on the website, please review them and send me updates. Most of the forms or procedures on the website were not written by me, so I don't know if they are current or need updates.

Reports from the Districts:

**West Central District** is working on the Missouri State Festival. All clubs should be considering the Square Dancer of the Year. More than one can come from a District. Also the Caller/Cuer Hall of Fame. Deadline is August 1, the District President must sign before it is sent in.

**Saint Louis District** in August they will have two squares and a caller in the pre-show at the Mundy Theatre. They will have 45 minutes and plan to dance and bring people from the audience to participate.

**Central District** is beginning lessons.

**Northeast District** has a District dance in April. Merle Hall is starting lessons in Kirksville and possibly a club. Merle Hall is also giving lessons to a group of home schoolers. Northeast District dances have problems with dancers leaving before the end of the dance. They are now giving out a pass to a dance and also the pot of gold.

**Southwest District** Kountry Kuzins' caller is retiring, so they are looking for a new caller. Presently they have guest callers. They want to pay their callers for their District Dance and are doing a fundraiser by setting banks out at the dance. The club that hands in the most will be recognized and those who participate will be given a percentage of the bank.

**Northwest District** is finishing up lessons. Savannah Sashayers have 14 new members from their lessons. Al Benz from Live Wires helped at the 4-H lessons in Cameron that Merle Hall had and Al was very impressed with the group.

**Youth and Children's Dance:** Merle Hall.

Several have been working diligently to recruit 4-H kids and leaders. Since my last report, Larry & Billie Jean Butler worked with a group in Clinton, Tom Murray worked with a group in the St. James area, and I and a group from the NE District worked with a 4-Hers at Cameron. No real interest was shown from anyone wanting to start a project; however, several were interested in having it as an activity on one of their Fun Nights or having a dance night.

**Mo Fed Scholarship:** Bob & Shirley Turner. Absent; no report

**2020 State Festival:** Liz Rooks. West Central District continues to work on making contacts with callers, cuers, and possible vendors and finalizing other details. Our main focus area right now is making arrangements for sounding of the three halls. If anyone is interested, let us know.
