## NOVEMBER '06

We have another successful dance under our belts. 56 dancers in the hall for our Glow Worm dance. There were 6 squares on the floor as we moved to the glow of flashlights - and the flashing of Lynn's glasses. A sight to behold, I'm sure. The Hex of a Squares retrieved their banner and the Ramblers stole ours. The Hazelnut Crackers were also there with more than a square so we owe 2 more visits.

Thanks to those who supported the MO State Convention in Sedalia this year. We had a really nice group from our club in attendance. I hope you all had a good time. I sure did.

Robert and Glenda have some big plans for "half time" at our next dance so you won't want to miss it. Wear your favorite team shirt or jersey be it NFL, college or high school. Just come out and have a good time.

Don't forget that we are having the Bears on Patrol dance coming up in January so when you start your Christmas shopping, be sure to pick up an extra toy and put it in your cart.

I was so pleasantly surprised at our dance to see Bill & Jennifer and Charlie & Sue back with us. It's been a while and we're sure glad they're back among the healthy again. If we could just get all of us healthy at the same time... June has been fighting a bug she can't seem to shake and it seems like everyone you talk to has had something or another. Let's hope that 2007 brings us all better health!

It will soon be time for our club *Christmas Party*. The date was set for December 10th and the time, 2pm. Location is Carol Hershey's. (Ask Carol for directions) Bring a covered dish, an inexpensive gift for the gift exchange and your good humor. This has always been a special time of good fellowship for all of us so I hope that since we set the date early, all of you will be able to attend.

In the past we have had several club gatherings each year and I would like to continue to do that. It has been suggested that we take a day trip next summer as a group. I would like to have some feed back on that, negative or positive, just so I know what you think. I'd also like to give some thought to maybe having a game day or football party or something of that nature. Just a time when we can all get together and enjoy each other's company. If you have ideas or are willing to provide a place, please let me know.

\* Repay a visit Any Attire

Thanks to my friend, Barb, who went with us and agreed to be adopted into our club for the evening, we were able to repay our visit to the Live Wires. Since our October dance, we still have 6 visits to repay. That includes retrieving 2 banners. 3 of those visits are on the schedule and I'm hoping not to get any further behind. I'm not planning to schedule anything for the holiday weekend but I will need your support whenever you can give it in the following weeks.

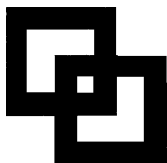

I know I've said it before, but I don't think I can say enough how much I appreciate all you, individually and collectively, do for me and for the club. Thanks from the bottom of my heart. Without you, there would be no B-N-R Squares. You are a very special group of people and I'm lucky to count you among my friends.

Our November dance is our Football Fan Dance. Sometimes we bring refreshments reminiscent of tailgating but I'm sure whatever you bring will be wonderful. Remember this is a casual dance so wear your favorite football shirt.

When you sit down to your Thanksgiving dinner and are counting your blessings, please remember to count all those you receive from this wonderful activity of ours, including all the many special friends here at the B-N-R Squares.

*Happy Thanksgiving*

### News on the Web

I've finally done it. Thanks to our wonderful webmaster, Dan Wheeler, we now have our newsletter and our roster on our website. Go to the site at the top of this newsletter and click on B-N-R Squares at the bottom of the page. That will take you straight to the club website. There will be a button to click on to get to the current newsletter and he will leave old newsletters there, as well, so you can refer to them if need be. If you have an e-mail address that can be used personally, this will likely be the last newsletter you receive by snail mail. Let me know what you think.

### 2008 Nat'l Pre-Convention

Are you registered for the 2008 National Convention in Wichita, KS? If so, you are entitled to attend the Pre-Convention dance at NO ADDITIONAL CHARGE. The KS State Callers are having a dance on Wednesday and your pre-registration is your admission to the dance on Saturday night with Tom Roper and Jerry Junck. Won't you join us?

If you're not pre-registered, I have the forms you need to fix that! By pre-registering, you will receive the housing form for 2008 three months ahead of everyone else.
