Summer '10

Our May dance was one of our smaller dances but there were many colorful shirts and skirts and lots of smiles in the room. For a holiday weekend, it wasn't a bad end to a great season. Thank you all so much for your support of the club and of me.

Our new plus dancers are on the floor and doing a great job of dancing. All they need is a bit of encouragement. We're still working with our mainstream group. Special thanks to the loyal angels who are there each week to help fill the square. There's a special place in heaven for square dance angels and we have some of the best.

Idamae Gillmore gave us all a scare in Chillecothe and ended up spending Mother's Day in the hospital. She's back on her feet and keeping Leann and I in line again so things are back to normal. Let's try and keep the club healthy for a while, shall we?

The KS State dance was a huge success. I think the numbers were real close to last year and Nick really put us through our paces. Next year, Nassar Shukayr will be the featured caller.

Thanks to everyone who went to Chillecothe. It was a great trip - right up until Idamae decided to make it more exciting - and a good time was had by all. I think we all learned something about the Amish lifestyle and enjoyed each other's company to boot. There has been some talk about a weekend jaunt in May of next year and I'm already doing some research on it.

Thanks to John and Rosemary for the use of their home for our spring picnic. As usual, it was well attended and John did a great job at the grill. We have another picnic scheduled at Frank and Doris' on August 22nd. As always, meat will be provided by the club and we ask you all to bring a dish to share. We'll plan to eat around 2pm. We always have a great time at these get-togethers so you won't want to miss out.

I'm really looking forward to calling with Jay Wright and Stan Brooke on July 16th. I hope you will all be able to join the fun. It should be a real hoot. These guys have both been calling in excess of 30 years and they're not only good callers, but they know how to have a good time. Please, come join the fun.

* Repay a visit

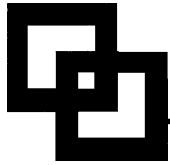

Our small May dance left us only owing one visit this summer and that's the Swinging Singles. Since they dance on our lesson night, it looks like it will be a while before we repay that one but there are lots of other good dances this summer. You won't want to miss any of them. Because of all our July specials, I'm not scheduling many visits, then. Hope you will take advantage of that and support our visitors.

Don't forget that we are members of the NW Missouri District. The District dance is being held in Blue Springs on July 24th. Each member is asked to bring refreshments and each club is asked to bring door prizes and something for the silent auction. If you have something to donate, please let me know.

Now would be a good time to mark your calendar for the KAMO Callers' Festival to be held in Lees' Summit on August 28th. It's a great way to end summer and kick off a new season of dancing!! Yours truly will be in charge of the after party and we have some cute things planned already. We'll guarantee you a good time.

We don't have any regular club dances during the summer, just our specials. Don't wait for the club to make a visit. Peek at your Fed Facts and go on your own. Better yet, call someone and ask them to go with you. If you don't see anything in the Fed Facts, jump on the internet and check out surrounding areas. There's no place to far to go, if it's a caller you really want to dance to.

Summer Specials

We've already had 2 of our summer specials and both were a huge success. Mike Hogan has agreed to come back next June and call on my 60th birthday so I'm really excited about that.

We have several more specials scheduled so be sure to put them on your calendar and don't miss out on a good time.
