September 2017

I hope you have all had a wonderful summer. It's certainly been ideal weather wise. Now it's time to get back in the "Swing" of things.

We have had some minor illnesses over the summer, but unfortunately I didn't find out about them until they were over. To the best of my knowledge, we are all healthy at the moment with the exception of David and Mary Prather who seem to be sharing a bad cold. If you know of someone who is under the weather, please be sure and let us know.

Don't forget, the Jamberry Nail Wrap fund raiser for the NSDC continues. Please pass this information to all your friends. It's not a lot of money but it's money that basically requires no effort on our part except talking it up.

Thanks to everyone who attended and helped with the NW MO District dance. As usual you worked together like a well oiled machine and it showed. For our efforts, we received a check from the district for \$80.40.

A full square of us attended the weekend in Johnson, NE and as usual, a good time was had by all. Some of us are already planning to go next year. Won't you join us?

Lessons started on the 9th and we have 3 students. We have our loyal core of angels but every now and then someone has a conflict and we may need your help. If at all possible, please help if you are asked.

Our trip to Hutchinson in September is coming up fast. I hope you will all plan on going. At our picnic we decided to meet at Cabela's between 7 and 7:15 and be on the road by 7:30am. We will make a pit stop in Emporia at Braum's for necessities and maybe some ice cream, then on to Carriage Crossings in Yoder for lunch followed by the tour of Strataca. We will need to have a firm number on who's going so we can order the tickets for Strataca in advance to make sure we all get on the same tour. The dance is at 7:30 that evening. After breakfast the next morning, we will caravan up to Abilene where you can spend as much or as little time as you want. Lunch will be at Mr K's and there's lots to see in Abilene. For reservations at Quality Inn, S. Hutch, call 620/663-4444. Mention either me or the BNR Squares.

Even tho' I didn't schedule any visits over the summer, we were able to get the card signed a few times anyway. Thanks for all the support. We have a light schedule for the beginning of the season. Since September included both a holiday weekend and our club trip, I tried to put some of the visits during the week. Frontier Twirlers is a bit of a drive, but I thought we could head down there while the weather is nice. Kerry Wallace will be calling that night and he's a lot of fun.

At the picnic, we decided to have our Christmas party on Saturday, December 9th. Again we will gather at noon and plan to eat at 1pm. We decided that in lieu of a gift exchange we would have some kind of collection to be donated to the church. I have contacted the church to see what they need the most and will pass that information along once I receive it.

Our next club dance will be our Favorite Salad Dance. We decided to have nice cool salads in case it was "Indian Summer" for our dance. Don't forget Mike Sikorsky will be here on the 17th.

Thanks for all you do to keep the club running and successful. I sure couldn't do it alone.. Your efforts and dedication to the club are what makes us who we are. Enjoy your labor day weekend. See you in a square soon.

I want to thank you all for your efforts in setting up and tearing down the hall before and after our dances. It's one of the necessary evils when it comes to hosting a dance, but with everyone working together, it doesn't take us long. Recently, we haven't had much tear down before the dances, but we have to "clean up" first so it still takes some extra time. With everyone working together, we have it all done in no time and it's so nice to be able to get on the road quickly when the dance is over. I can never say thank you often enough for all you do to help me.
