July 2018

What a fantastic summer we have had. A group of 6 attended the Kansas State Convention in Salina, KS to start the month of June. Then many of us played a part in the 67th National Square Dance Convention in Kansas City, MO. I can't thank you enough for your part in making that venture a huge success. While the attendance was somewhat disappointing, all reports are positive. We've even had messages from dancers who were not able to attend who heard from others what a great convention it was. Way to go, gang.

Our annual picnic was a huge success. We had some guests and they decided to join the club. That's a win for everyone. If you didn't get a chance to meet Tom and Cindy Hollinger, make it a point to get to know them. Tom is a relatively new caller and has been calling out in central Kansas. He has agreed to call our Sweetheart Dance in February while I'm in Texas. Ray Trowbridge has agreed to call our Beach Party Dance in January.

We failed to choose a date for our August picnic when we were together last month. I checked with Carol and the only date she had available was August 12th. That made it easy. With that in mind, our next club picnic/pot luck will be August 12th at Carol Hershey's. Gather at noon and eat around 1pm. Club will bring the meat and we ask all of you to bring something to go with. Hope you all can make it.

Two of our "summer specials" are behind us. We had a nice crowd for Lanny Weakland and a great crowd for Mike Hogan, in spite of exceptionally hot and humid weather. Two more to go. Please try to be there. You won't want to miss them. Jeff Holley from Oklahoma is lots of fun and Jerry Junck from Nebraska is the master of different but not difficult. You won't want to miss either one.

You've heard me say many times, "If you want visitors, you must visit. You guys are the best. You are out and about visiting even when there is no official visitation scheduled. I haven't scheduled any official visits this summer so you can all enjoy the season, however, we do have some activities planned. I hope you will all be able to enjoy them with us.

July 20th and 21st is the Summer Weekend Getaway with Lanny Weakland and Mike Hogan in Johnson, NE. Since there are no motels actually in Johnson, we stay in Auburn. Some of us stay at the Palmer House. If you want to get a room there, the phone number is 402/274-3193. Each evening after the dance there is an after party which is just a social gathering where everyone brings snacks to share. All are welcome.

Just an FYI. Dana will be out of town on July 22nd so I will be calling for KC Plus. Would love to see some of you there for moral support.

As always, I thank you from the bottom of my heart for all you do for me and for the club.

CLUB TRIP

We finalized plans for our trip to Hutchinson when I call on September 22nd. We will stop at Carriage Crossings again for lunch and then go to the Cosmosphere. Then we'll take a break and then on to the dance. On the way home Sunday, we'll once again stop at Abilene and see the things we didn't have time for last year. We agreed to stay at the same place as last year, however it has changed hands and is now Motel 6. The phone number remains 620/663-4444. I hope you will all be able to join us. We always have such a great time when we're together.
