## **SILENT AUCTION**

The Festival will have a Silent Auction again this year. We need the help and cooperation of all districts, clubs and club members. Each club is asked to bring one item or basket with the value of \$25.00 or more for the auction. It is preferred that items be delivered to the Silent Auction Chairman by Friday night of the Festival. Items will be accepted also all-day Saturday.

You never know what will come in to be auctioned. We appreciate your participation in the fun of the auction,

We are looking forward to seeing you at the Festival.
