

2019 Missouri State Festival "Diamond Jubilee"

Celebrating 60 Years Of Dance

2019 Missouri State Festival Style Show

A number of club members have chosen to customize their Festival T-shirts and/or polo shirts to reflect the dance theme: Diamond Jubilee. Members have modified their shirts by adding "bling" or other embellishments. Some have also altered sleeves, necklines and/or hemlines. Anyone who has made such changes is invited to model the shirt(s) in the annual style show scheduled for 6:00 on Friday evening.

Rosa Davis has been appointed as moderator for the show. In order for her to coordinate entries, please complete the form below and return it to her no later than October 1. Anyone who would like to model more than one shirt should complete a form for each shirt so that Rosa can schedule accordingly.

Thank you for your participation.
