Welcome Dancers

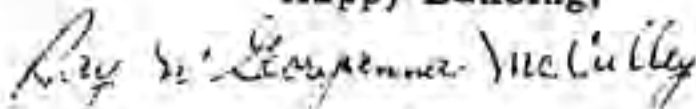

As we reach our 3rd Annual State Festival we climax another successful year in our greatest form of recreation, Square and Round Dancing. For eleven months we have looked forward to this day, which we hope, will be as successful as we have tried to make it. We do hope that through our efforts we have added some portion of growth to our new State organization.

We have met many friends through this great pasttime, a joy that we shall remember for quite a while. While you visit with us in Joplin we hope that if in anyway we can serve you please feel free to call on us or any member of your host city.

Many thanks go to each of our committees and all those who helped to make this a real successful festival.

We are proud to have been chosen your President for this year and hope we have served you well.

Happy Dancing,

President
