

Constitution and By-Laws Committee

While getting ready for the July meeting, I discovered that the copy of the Standing Rules I was using did not include some of the recent changes. I have researched the meeting minutes found in the Federation's website starting with October 2022 and continuing through the April 2025 minutes. Updates have been made to the Standing Rules that were approved by the Missouri State Federation's Board of Directors.

An updated copy of the Standing Rules will be provided to the webmaster to post to the website.

Art Kruse
Chairman
