

Missouri Federation of Square 'n Round Dance Clubs

65th Missouri State Festival
Sedalia, Missouri
October 18-19, 2024

SILENT AUCTION

A perennial favorite of the State Festival is the Silent Auction. It also serves as an excellent fund raiser for the Missouri Federation and fun shopping experience. As always, we rely on the generosity and cooperation of each club and district to donate one or more baskets valued at a minimum of \$25 for the auction. Additionally, we would like donations, from dancers or clubs, of individual items available for auction. High quality used or new items should be valued at a minimum of \$5.

Please deliver baskets and items to the Silent Auction Chairmen Friday afternoon or evening for maximum exposure. **NOTE:** In lieu of a basket or item to be auctioned, monetary donations from clubs or districts will also be gratefully accepted.

You never know what will come in to be auctioned. We appreciate your participation in the fun of the auction!

RESALE SHOP

A new addition this year will be the Resale Shop for dance clothing. Here you will find dance clothing looking for a new home. Clothing Donations will be accepted on Friday afternoon/eve of the State Festival. Dancers will be requested to make a monetary donation for any clothing items they select. All monies collected will go to the Missouri Federation to help fulfill its purpose of promoting and supporting square and round dance. Contact the Chairmen for any questions.

BANNER DISPLAY

The State Festival is an excellent place to show your club and district pride! Display your banner with pride! We will be placing all club and district banners on the walls of the main dance hall. Bring your banners to the registration area or to Bob Hall and they will be hung for you for all to see.
