

St. Louis Metro Square & Round Dance Association

# METRO NEWS

**Subscribe or renew TODAY!**

By become a subscribing member of the St. Louis Metro you are supporting the continuation of square and round dancing in the Metro area so that events like these can be hosted for the enjoyment of all:

- Dances and workshops
- Jamboree in May (the longest running event in the state)
- Benefit Dance in October

These events build our sense of community both locally and across the state. Your support of the St. Louis Metro makes it all possible.

Our monthly newsletter contains current dance information such as the chronological listing of all dances, classes, and other activities. Also included are flyers and ads for special events, feature articles, club news and more. You receive continuing benefits by subscribing to the Metro News.

- ✓ **Email** - You now have an option to receive the Metro News by email for only \$15 per household. That is a 25% discount just for electing to receive the newsletter via email. You get the same newsletter as in the mail but delivered to your computer so you have the option of printing out only certain pages, or the whole thing, you get to decide. The new and improved newsletter has been designed to make single page printing easy and convenient.
- ✓ **Post Office (USPS)** - You also have the option of receiving the printed newsletter in the mail just as you always have and the price has not changed, it is still \$20 per household.

***Without your annual support we do not have an organization.  
Please subscribe or renew TODAY!***
