Dear Mr. Turner and the Square N' Round Dance Council,

Thank you, from the bottom of my heart for this honorary scholarship. Out of the hundreds of well-deserving candidates, I am honored that your council has chosen me for the recipient in this 2018-2019 school year.

It is with great pride that I started, and will continue my career at Missouri State as an undergraduate student for the next four years. In these few upcoming years I am pursuing a bachelors in Criminology, and a masters in Criminal Justice. Compiling all of the learning from my classes, activities, and serving (from my next few years here at Missouri State), I will hopefully get to in turn work in the criminal justice system someday. It will be in that system, and in life, that I will get to give back to such great communities like your own. And that is something I'll take with me for the rest of my life, so thank you.

With many, many thanks,

P.S.

I apologize for this thank you letter not get to you all sooner. I am new to the Missouri State campus mail system and had a few problems getting it sent out. (And thank you again)
