2020 Square Dancers of the Year

Richard and Trudy are the epitome of square dancers. They have enjoyed the pleasures of square dancing for over thirty years attending state, local, and national conventions. They enjoy traveling to other clubs, helping with exhibitions and lessons and can always be found in square dance attire and smiles.

During their 30+ years of square dancing, they have served as club president, vice president, secretary and reporter. They are truly committed to square dancing as they have shared countless hours as angels to new dancers. The last three years their club offered lessons twice each year and they attended all of the lessons serving as angels.

It is a great pleasure to recognize Richard and Trudy Clawson of the Tanglefoot Squares as our Square Dancers of 2020.
