2. Badges will be purchased by the District for new Executive Board members who do not already have a badge. Bars will be purchased for the current Executive Board.
3. The President oversees the booklet and the list of who should receive packets for both District and State Board Members.

Guidelines for Student Participation

1. Students are always welcome to the sponsoring club's dances to visit and observe the dancing. After a student reaches the halfway point through lessons (or class has had their own halfway dance), he/she may participate in student tips.
2. Students are eligible to attend other club halfway, three-quarter, graduation, or specific dances to which they are invited at any time. (There is no blanket welcome to all our dances).
3. Student attendance at other club regular dances prior to graduation is not discouraged; however, if they do travel prior to graduation, preferably with a club member, it is with the understanding that they cannot participate in all dances-only those designated as student tips.

All students are encouraged to visit home club dances to mingle and get to know club members. As stated above, they may participate only in student tips until after graduation.

Approved 01-17-2010

Northeast District Guidelines for the Traveling Banner

1. Each club is permitted to have two (2) traveling banners. The banners may be given out at the discretion of the club. It is recommended that personal items not be used as substitutes when the banners are not available.
2. The traveling banner shall resemble, as nearly as possible, the original club banner.
3. The size shall be no larger than 24" x 24".
4. The traveling banners which have been captured, plus the club's traveling banner (if available), shall be displayed at all club dances.
5. Eight (8) people from the same club is the minimum number required for capturing another club's traveling banner. The same number of people is required for recapture also.
6. In such cases where two or more clubs have present equal numbers of people, the club which traveled the farthest distance claims the traveling banner.
7. The traveling banners may be displayed at club festivals or special dances but may or may not be captured or recaptured.
8. Only clubs outside the Northeast District that are participating in a similar program will be permitted to capture traveling banners from within this District.
9. A club may capture only their banner or the host club banner but not both. They may not capture any other club banner.
10. Dancers belonging to more than one club can represent only one club on any given date.
11. Only paying club members should be counted in capturing or retrieving a banner. Students may be counted when attending a dance to which students have been invited (i.e., a halfway dance).
12. After a club has held another Northeast District club's banner for three (3) months, that club has the option to take a square of their members and return the banner, with said square being admitted free as a "penalty" for them having to return the banner.
