NORTHWEST DISTRICT FRIENDSHIP VISITATIONS

The purpose of this program is to encourage Northwest District visitations to other clubs in the Northwest District, as well as visitation to organized square dance clubs and square dance events in other areas. Events being in any location: State, District, National Festivals, Special Dances (counting events by day, not session) as well as Exhibitions or Demonstrations meant to encourage new people to become square dancers. Lessons and workshops are not included. Also, to encourage clubs of all sizes to participate by giving each club an equal opportunity to get credit for their members participation at a visitation by awarding on a percentage of membership attending.

Dancers from one club can dance at different events on the same day. Dancers will be counted at all events; the events will count for each dance for that day. This pertains to different dance on same day (i.e. different clubs danced at on one day.)

Each club will have a card to be signed at the visitation, noting the number of dancers attending. This program runs from June 1 to May 31. At the end of the program year, the card(s) will be turned in to the District Visitation Chairman by June 15. Club Membership will be written on the card as of May 31 by a club officer and percentage will be calculated by the Friendship Visitation committee.

The Friendship Visitation committee will figure the percentage by the number of members written on the last card. A copy of the percentage will not be sent to the clubs unless requested. If the club wants to figure the percentage it is done by dividing the number of members attending a visitation by the total number of club members.

Earned awards will be given at the Northwest District Dance.

- 1) RED - the club with the highest percentage of members attending visitations, as well as the highest number of clubs visited during the year.
- 2) WHITE – the club with the second highest percentage of members attending visitations, as well as the second highest number of clubs visited during the year.
- 3) BLUE – the club with the third highest percentage of members attending visitations, as well as the third highest number of clubs visited during the year.
- 4) The first year of participation, a bar and dangle will be given to all Northwest District Clubs participating in the visitation program. Each year after, a year dangle will be awarded.

TRAVEL MISSOURI

A PROGRAM OF THE PROMOTIONS COMMITTEE

The **TRAVEL MISSOURI** program is designed to promote visitation by dancers to the other seven districts within the Missouri Federation of Square 'N Round Dance Clubs AND attendance at the State Festival. Attendance at other district square and round dance activities cultivates goodwill and friendship among dancers and districts throughout the state. Sharing the **FUN** with dancers in other districts is what the **TRAVEL MISSOURI** program is all about.

All square dances and round dances are **TRAVEL MISSOURI** dances. Any promotion or advertisement of these dances via flyers, newsletters or the Federation's publication, the DOIN'S is an open invitation to all dancers. There are no dues to pay, no meetings to attend, or no timetable is required. The only requirement is that dancers attend dances wherever and whenever possible.

Participants receive no awards, trophies, or plaques for their accomplishments. After visiting all seven districts and the state Festival however, your rewards are many. Besides becoming acquainted with other dancers and creating new friends from all over the state, one gains the experience of dancing to the finest callers Missouri has to offer. In addition, traveling to a dance provides the opportunity to get more familiar with Missouri and enjoy the many tourist attractions located in all parts of our state.

As mentioned before, participation in the **TRAVEL MISSOURI** program costs nothing; however, the participant may at their discretion purchase a bar and earned dangles from the Program Manager for \$8.00. After the first year, the cost is \$6.00 for a set of dangles. You will need a **TRAVEL MISSOURI** card, which may be obtained from the

Program Manager, District Presidents, Club Representatives or print from the Internet. Each time a participant visits another district he/she may have their card signed by the host club. To receive your dangles, a signed card is sent to the Program Manager and the dangles and a new card will be sent to you. The **TRAVEL MISSOURI** bar with dangles from each of the Districts and the State Festival are designed as an incentive and fun badge for the dancer to wear and show that he/she is a participant in the program, as well as to show visits to other districts. Each dangle is engraved with the initials of the various districts. There is no particular order in collecting the dangles or arranging them on the bar. The **TRAVEL MISSOURI** bar may be worn at any square or round dance, whether it is a club dance or a visitation dance. Wear it to promote the **TRAVEL MISSOURI** program.

Many participating dancers do not stop visiting when their **TRAVEL MISSOURI** bar is filled. After visiting all seven districts and the State Festival dance two times, they may add an additional dangle to the badge signifying the number of times they have made the rounds. After visiting all eight five times, the participant has then earned a **GOLD TRAVEL MISSOURI** bar to replace the blue bar.
