

Because of the current crisis, it is important that accurate Square & Round dance information be available on the St. Louis Metro website: www.StLouis.SquareDanceMissouri.com.

Make sure that your club & district information is correct.

Since all square & round dance clubs in St. Louis have websites, the easiest way to make sure that your club or district information is current is to check your club website.

1. Open the St. Louis Metro website:
St. Louis Metro - www.StLouis.SquareDanceMissouri.com
2. Click on your Club's name,
3. Hover your mouse over the "**Dance Schedules**" drop down menu, and click on "**2020 Dances**".

The list that will open will show all of your club's dances that have been reported to the Missouri Federation webmaster.

All of your club's dances that have been reported as "**Cancelled**" will have "**Cancelled**" in the listing.

If the listing there is not current or has dances missing, please send updated information to the webmaster. Text: 816.223.0803, E-Mail: Webmaster@SquareDanceMissouri.com

It is not only important that your cancelled dances be listed, as the crises lifts, it will be important that "**Non Cancelled**" dances also be listed.

Before attending a dance in the St. Louis area, check the "**Cancelled Dances**" webpage: www.Cancel.SquareDanceMissouri.com.

You can actually access all these web pages and the "**Scheduled Dances**" web pages from the St. Louis Metro website: www.StLouis.SquareDanceMissouri.com.
